

Activity 2 Fill in the Blanks

The 4 areas of abuse are Sexual abuse, Physical abuse..... and

When it comes to Child Abuse, many people still don't believe that theis real. When a child is a victim of abuse the are devastating and last the child's

Our legal system entrusts children tocare. Children, whether they are 7yrs or 17 yrs old they are not expected to use perfect ;it is not the child's responsibility to.....him/herself.

Sexual abuse offenders look for environments. It not your job towho is an offender or not. It is your job to complete the process properly. Child abuse destroys and people's..... in the church.
